

7<sup>th</sup> July 2020

Dear Parent/Carer,

**RE: Return to School for Year 10 – Phase 3 Arrangements**

In the final week of term, we'd like to focus on the delivery of face-to-face sessions for selected option subjects. This is an ideal opportunity for students to see their option subject teachers before the summer holidays, which begin at 3.30pm on Friday 17<sup>th</sup> July 2020. The regular sessions in English, Maths, Science and Engineering will be suspended for the final week of term.

If the option you've chosen doesn't feature on this plan, online sessions and directed activities will still continue via Google Classroom. In some cases, it is possible that we won't be able to offer every student the chance to engage with the sessions (e.g. due to social distancing measures in classrooms) and in the case of oversubscription, we will prioritise places for EHCP, SEN and Pupil Premium students, allocating any remaining places on a 'first come-first served' basis.

Each session will start at 10am and run for approximately 2 hours 30 minutes and will be organised as follows:

<b>Monday 13<sup>th</sup> July</b>	<ul style="list-style-type: none"><li>• History with Miss Green in LB2</li><li>• IT with Mr Jones in LB1</li></ul>
<b>Tuesday 14<sup>th</sup> July</b>	<ul style="list-style-type: none"><li>• French with Mrs Cranmer in LB1</li><li>• Computer Science with Mrs Spelman in LB2</li></ul>
<b>Thursday 16<sup>th</sup> July</b>	<ul style="list-style-type: none"><li>• Triple Science Biology with Mrs Sidhu in LB1</li><li>• Triple Science Physics with Mr Matsoukas in LB2</li><li>• Business Studies with Mrs Marway in LB8</li></ul>

To ensure we maintain social distancing onsite and do not exceed individual Learning Base capacity, we are asking parents to book a space for their child at their chosen sessions. Please do this by completing this online form: <https://forms.gle/4CwZHQRp1Ko3w6AG8>. Once you have completed the form, please assume that you have a confirmed place. We will contact you on the email address provided if we exceed capacity and you are placed on the waiting list.

Our small school for vulnerable students and the children of key workers will continue to operate every day next week, but will cease to operate in the summer holidays.

We look forward to seeing students again next week and will write in due course with information regarding September.

Yours faithfully,

Mrs K Tague  
Executive Principal

Mr M Brady  
Associate Principal

WMG Academy for Young Engineers, Mitchell Avenue, Coventry, CV4 8DY
